

NHS Sample Selection Procedure Description

The National Honor Society chapter of [Steller Secondary](#) is a duly chartered and affiliated chapter of this prestigious national organization. Membership is open to those students who meet the required standards in four areas of evaluation: scholarship, service, leadership, and character. Students are selected for membership by majority vote of a five-member principal-appointed faculty council, which bestows this honor upon qualified students on behalf of the faculty of our school each [January](#).

Students in grades [10-12](#) are eligible for membership. For the scholarship criterion, a student must have a cumulative GPA of 3.0 or better on a 4.0 scale. Each [Spring](#) those students who meet this criterion are invited to complete a Candidate Form that provides the faculty council with information regarding the candidate's leadership and service. Members selected for Steller Secondary's Honor Society are expected to complete a minimum of 15 hours of service annually.

To evaluate a candidate's character, the faculty council uses two forms of input. First, school disciplinary records are reviewed. Second, members of the faculty are solicited for input regarding their professional reflections on a candidate's service activities, character, and leadership.

Any solicited faculty input and all Candidate Forms are carefully reviewed by the faculty council to determine membership. A majority vote of the council is necessary for selection. Candidates are notified regarding selection or nonselection according to a predetermined schedule.

Following selection, a formal induction ceremony will be held to recognize all the newly selected members. Once inducted, new members are required to maintain the same level of performance (or better) in all four criteria that led to their selection.
